Nexchange News

Nexchange goes the extra mile and manages every aspect of your affiliate program - from recruiting affiliate websites and giving them the tools they need to sell all the way through paying them monthly sales commissions. We keep it simple. You produce great products. We sell them all across the Internet.

Nexchange gives you control.

You choose the product mix, set prices, and design the online catalog. You reach new customers without the traditional costs of sales. Nexchange only earns money when we sell your products successfully.

► **Step 1: Provide URL**
Step 2: Capture Header HTML
Step 3: Capture Footer HTML
Step 4: Preview Your NextShop
Step 5: Final Check

Here you will enter the URL of the page we use to capture text, images, and links that comprise the look and feel of your storefront.

Your website homepage URL is already entered below. If this is the directory that contains the text, images, and links we will use to design your storefront, click the Continue button.

If you will be using the text, images, and links from another page on your website, please enter the base URL of that website page. The base URL is the directory in which that specific page resides. For example, if your website is located at <http://www.website.com/>, but you want to capture the text, images, and links located on the page <http://www.website.com/directory/page.html>, then the base URL is <http://www.website.com/directory/>. If the page you are using contains an HTML base tag, then you will need to enter the URL of that HTML base tag.

Please make sure you enter the exact base URL, including all directories. Include the <http://> at the beginning, and end with a slash. When you are finished, click the Continue button.

Design Your Storefront

Step 1: Provide URL
Step 2: Capture Header HTML
 Step 3: Capture Footer HTML
 Step 4: Preview Your NexShop
 Step 5: Final Check

In Step 2 and Step 3, you will be providing the HTML code (comprising the text, images, and links) that will appear on your storefront. For these steps, you will need to be viewing the source HTML code of the page you entered in Step 1.

Here, we capture the text, images, and links that your visitors will see above and to the left of the products sold in each NexShop. In the box below, please paste the HTML code of the text, images, and links to appear on the top and left side of your storefront. If your HTML code contains a base tag, please remove it. Then click the Continue button.

Design Your Storefront

Step 1: Provide URL
Step 2: Capture Header HTML
Step 3: Capture Footer HTML
▶ Step 4: Preview Your NexShop
Step 5: Final Check

You're almost done! Click the Preview button to view what this store will look like. A new browser window will open. Please carefully review the text, images, and links. If everything is correct, and the sample "Celebrate the Seasons" book is located in the appropriate place in the page, close the store preview window and click the Continue button below.

If changes need to be made, click one of the buttons in the center column below, make the appropriate changes, then click the Continue button until you get back to this page. For example, if none of your website images show up in the store preview, click the Change The Base URL button and confirm that you entered a website directory, not a specific page (.html). If you want to make changes to the design above the "Celebrate the Seasons" store, click the Change The Header button.

When you are done, click the Continue button.

If you would like help designing your storefront, just send an email to hosthelp@nexchange.com and we will design your storefront for free. Please include your name, account number, and website URL in the message.
